

FAQs for Giving at North Point Church

Why give?

As Christians, giving is our response to the abundant generosity God has shown us. It blesses others, meets the needs of God's people, and demonstrates obedience and trust in God as our ultimate provider. As 2 Corinthians 9:7 says, "Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver."

Your financial gifts help us share the message of Jesus across Coventry and beyond. If you're currently struggling financially, we encourage you to be generous in other ways, like serving on a team or giving your time to others.

What's the best way to give?

We are thankful for every contribution, no matter the size or method. However, if you are a member of North Point Church and able to give financially, we encourage you to set up a regular monthly donation. Regular giving is vital because it allows us to plan long-term projects and make a greater impact in our community.

The best way to give is by setting up a standing order directly into the church's bank account. This helps us avoid minor fees associated with other methods. For details on how to do this, see the next section.

Every gift also supports ongoing projects and ministries, so thank you for your generosity—together, we're making a lasting impact!
